

Art Director

Arlington, VA
Apr. 2021 - Present

Deloitte Digital

As an Art Director at Deloitte, Justin plays a fundamental role in the strategy, conception and design of well-formed digital experiences. He brings exceptional creative thought and approaches to every account with a fresh perspective, while avoiding redundancy, generating distinct ideas across all existing and emerging platforms. His work builds awareness in ways that are imaginative, engaging, and essential to target markets.

- Leading design input, executing design directions, and managing the design process
- Translating client business goals into intelligent user experience recommendations
- Work to define a vision through conceptual diagrams, wireframes, and prototypes
- Seeing and communicating the artistic vision of the team and client
- Collaborating with other creatives, project managers, and developers
- Developing content layout, pixel-perfect visual appearance and usability design
- Working with writers to develop strategically driven solutions
- Proactively identifying needs and potential issues
- Juggling multiple assignments with ease

Senior Visual Designer

Arlington, VA
Aug. 2018 - Apr. 2021

Deloitte Digital
